

GUSTAVO ALBINO

LEAD DESIGNER · BRANDING, DIGITAL PRODUCT, ART DIRECTION

Minas Gerais, Brazil · gustavorsalbino@gmail.com · +55 31 97142-2346 · gustavoalbino.com.br

Designer with ten years across branding, digital product and editorial. I lead design on **Kaya Doc**, a SaaS platform for medical cannabis prescribers, where I own a design system of **353 master components** and run an AI-first production pipeline. Eight years in Sydney, four and a half in Lausanne, and I work in four languages.

EXPERIENCE

Kaya Mind

May 2022 → present · Brazil

■ LEAD DESIGNER

Design lead for Kaya Doc, a SaaS platform for prescribers. I own the design system: 353 master components, two-layer tokens, every artefact in desktop, tablet and mobile. I run the UX research, take work from concept to engineering handoff, and cover the brand output around the product, from campaign banners and email to annual reports.

Freelance

2014 → present · Remote

■ DESIGNER · BRANDING, WEB, UI

Brand and product work for clients in Brazil and abroad, with generative tools carrying the repeat production.

PelicanCorp Global

Feb 2021 → Oct 2025 · Remote

■ DIGITAL DESIGNER · FREELANCE

Product and communication design for a utilities software group: UX/UI, visual assets, campaigns and social media. Worked from Switzerland and Brazil.

Mindmaze

Jul → Oct 2020 · Switzerland

■ UI DESIGNER

Interface design for a neurotechnology and rehabilitation platform, focused on usability and accessibility.

Westl

Nov 2011 → Jan 2012 · Brazil

■ GRAPHIC DESIGNER

Graphic work for corporate communication and marketing. Remote from Australia.

SELECTED WORK

Kaya Doc

DIGITAL PRODUCT

Prescriber platform rebuilt on a system: 353 master components, four-step onboarding, desktop to mobile.

Kaya yearbooks
